KAMINI KAPUR

Kamini Kapur is an AMI Elementary Director of Training at JFA Montessori TTC, Kolkata. She also Co-Directs an Elementary Diploma Course at VHMI Chandigarh and is part of the pedagogical team on the Diploma Course at the Montessori Institute, Bangalore. With over 20 years of experience with children, Kamini supports Montessori schools through training, workshops, mentorship, and consultations. She is AMI trained at the Primary, Elementary, and Adolescent levels, holds a Master's in Sociology, and has served as a National Examiner for AMI Elementary courses in both the UK and India. Deeply committed to environmental education, Kamini encourages sustainable living and hands-on engagement with nature, nurturing a sense of responsibility and appreciation for the environment in both children and adults.
